L-shaped power nozzle

Clean around table and chair legs easily with the unique, L-shaped power nozzle. Its low profile design allows for cleaning under furniture, beds and kitchen counters.

Replaceable afterfilter

A specially designed replaceable afterfilter cleans exhaust air, capturing and retaining 95% of 2.5 micron and larger size particles, as well as most allergy causing particles.

An added layer of charcoal to the afterfilter helps eliminate odors in the air.

Missing bag protection

The Lux 3000 will not operate without a bag, protecting the motor and retaining all dirt and debris.

Automatic shut-off

If an object becomes entangled in the power nozzle brush, the circuit breaker will automatically shut off and protect from damage.

The Lux 3000 comes with a complete accessory package to aid in your cleaning regimen.

- **Sidekick** - A mini, motorized power nozzle useful in cleaning stairs, bedding, car interiors, and more!
- **Combination dusting/upholstery tool** - The soft bristles protect your furniture and delicate surfaces, while adjustable wings allow for improved cleaning of upholstery or fabrics.
- **Crevice tool** - Perfect for narrow, hard-to-reach areas such as bookshelves, between couch cushions and car interiors.
- **Electrified hose** - Durable hose bends to reach all areas for cleaning.
- **Wands (2)** - Two wands provide longer reach for the taller jobs, such as ceiling fans.
- **Accessory caddy** - The caddy is convenient storage for all your accessories.
- **Plus, extra filter bags and afterfilter included!**
